

## No exercises this week

Software Construction (<http://www.cse.unsw.edu.au/~cs2041/16s2/>)

### Aims

- help with assignment 2
- feedback from your tutor on assignment 1
- help with assignment 2

### Assessment

There are no lab exercises this week. Demonstrate last week's lab exercises to your tutor, if you have not already. Your tutor will be able to give you feedback on your assignment 1 hand marking and to assist you with any problems you are having with assignment 2.
