

Welcome to Allianz Global Assistance Overseas Student Health Cover (OSHC)

Getting started

Your Certificate of Insurance on the next page contains all your OSHC policy details, so keep it handy.

Head to our website at www.allianzassistancehealth.com.au and select 'Create Account' to set up your online account using your email address and the policy number provided in the Certificate of Insurance. You can then login at any time to check or update your details.

There's an app for that

- Your e-membership card is waiting for you in the My OSHC Assistant app.
 - You'll need to present this e-card at any medical appointments or if you go to hospital.
 - You can download the app free from the App Store¹ or Google Play².
 - Login to the app using the same password as your online account.
 - The app can also help you find a nearby doctor, manage your account and even lodge a claim.
- Pretty handy!

Speak to a doctor without leaving home

Allianz Global Assistance OSHC members can speak to a qualified doctor 24/7 via phone or video call, for private medical advice on a range of health concerns, repeat prescriptions and referrals to specialists.

To use this service, visit www.doctorsondemand.com.au, click 'Redeem a Benefit', enter your policy number and book a consult or request a repeat script.

The serious visa stuff

- Maintaining OSHC is a requirement of your student visa.
- Be aware that your OSHC policy is only valid while you hold a current eligible visa and have paid the full premium required.
- For details of your cover, see the associated Policy Wording.

Have you considered OSHC Extras?

Need cover for dental, optical and physio? OSHC Extras is an optional add-on to your base OSHC policy that covers things like dentist visits, reading glasses and physiotherapy. Visit our website to learn more.
